About the Event

About the Conference and Summit

The International Conference and Summit on “Technology in Pharma Healthcare - Past, Present, and Future” will be organized in hybrid mode by the NIET Pharmacy Institute, Greater Noida, on 23rd and 24th June 2023. It will serve as an ideal platform to bring together academicians, researchers, and industrialists from various parts of the world to witness the confluence of various cutting-edge technologies that have brought a paradigm shift in the healthcare sector. It will be a forum to share and exchange the novel research contributions in the fields specified and identify the practical implications of the novel technologies through deliberations and innovative discussions. The International Conference will augment the objective and vision of the Government of India in providing affordable and smart healthcare to everyone and identify critical technologies and approaches needed to reshape the world of healthcare.

About the Institute

Noida Institute of Engineering and Technology (Pharmacy Institute), Greater Noida, is one of the premier Pharmacy institutes of India's National Capital Region (NCR), and conveniently located just 30 miles (One-hour drive) from the International Airport, New Delhi, and thus, easily accessible for both national and international visitors. It is the only Pharmacy institute under Dr. APJ Abdul Kalam Technical University, Lucknow, to be ranked amongst the top 100 Pharmacy colleges of the country as per the National Institutional Ranking Framework (NIRF)-2022 awarded by the Ministry of HRD, Government of India. Our Institute has been ranked 39th in India by the NIRF-2022. The undergraduate course (B. Pharm) is accredited by the National Board of Accreditation (NBA). The Institute is the Ph.D. Research Centre of the University. The Institute has been awarded a “Diamond Subject Rating” by QS I Gauge Subject Rating. NIET Pharmacy Institute is recognized in the Atal Ranking of Institutions on Innovation Achievements (ARIIA)-2021, Ministry of Education, Government of India.

NIET Pharmacy Institute is recognized as “Band-Performer” under the category ‘Colleges/ Institutes (Private/ Self-Financed) (Technical)’ in Atal Ranking of Institutions on Innovation Achievements (ARIIA)-2021, Ministry of Education, Government of India.
