Testimonials

Ayushi Singh
M. Pharm

"The outstanding infrastructure of the Institute and experienced faculty provided invaluable support during my M. Pharm studies, and equipped me with research skills, instrument handling, and discipline. Grateful for NIET Pharmacy Institute's pivotal role in fostering my research journey."

Priya Upadhyay
M. Pharm

"The Institute is equipped with top-notch lab facilities, exposure, and supportive staff, fostering holistic student development. With stellar campus placements from companies like Nestle, Wipro, and Cipla, NIET Pharmacy Institute is the ideal choice for pursuing a Bachelor/Master in Pharmacy."

Himanshu Singh
M. Pharm

"NIET Pharmacy Institute's guidance and support were integral to my success during my master's, ensuring every step was directed towards achievement. NIET Pharmacy Institute's future endeavors in advancing research for India and the world."

Neha Priya
M. Pharm

"My experience at NIET Pharmacy Institute was excellent for its faculty members and lab staff. With topnotch infrastructure and wellfunctioning instruments, I gained valuable knowledge and experience in new domains and technologies within the pharma industry."

Disha Chauhan
B. Pharm

"The Institute provides excellent placement opportunities, fostering both professional and personal growth. With a cooperative faculty offering extended support, I'm grateful for the invaluable experience."

Himani Sethi
B. Pharm

"I express gratitude to the supportive faculty whose expertise and skills have greatly benefited me. NIET Pharmacy Institute's guest lectures and workshops facilitated both personal and professional development, while its an excellent environment."

Jyoti Bisht
D. Pharm

"The college possesses highly qualified and experienced staff who offer excellent support. Overall, the college has a very positive environment."

Amarjeet Kumar
D. Pharm

"The college provided top quality education, laying a strong foundation in my field, while fostering essential soft skills like communication and critical thinking through diverse co-curricular activities at NIET Pharmacy Institute."
