Vision, Mission and Program Educational Objectives of Pharmacy Institute

Vision

A world class institute of academic excellence in the field of science and technology committed to the holistic development of its students and the faculty, widely respected for its engagement with ethical and responsible teaching and wider global concern.

Mission

To impart quality education with a view to develop skilled human resource, capable of meeting the challenges of evolving technologies in hospitals and pharmaceutical industries. To contribute to the industrial growth and socioeconomic development of India.

Program Educational Objectives

PEO 1: To acquire knowledge and develop understanding

PEO 2: To develop skills

PEO 3: To develop professional attitude

Meet the Editorial Team

Chief Editor
Dr Swarupanjali Padhi

Faculty Co-Ordinator
Ms Sonia Chauhan

Message from the Management

Success is not a one-shot process. It is the result of a continuous improvement after each failure.

Dr O. P. Agarwal, Managing Director

Beyond the academics, the curriculum at NIET Pharmacy Institute is strongly linked with several recent themes like latest technologies needed by organizations, soft skills, communication, among others. Our approaches have resulted in programs of study relevant to the leadership trends and challenges of tomorrow.

Dr Neema Agarwal, Additional Managing Director

NIET has been helping students write their own stories in the health care sector since its inception. Committed to providing the best jobs by creating life-changing educational opportunities and collaborative learning environments, we have stayed at the forefront of innovation in higher education, providing the tools our students need to make them industry ready from day one and make an impact in the world.

Dr Raman Batra, Executive Vice President

Proactive scanning of the recent development in technology space, early identification of upcoming needs of the industries and curriculum designed for holistic development of the students and meticulous execution of teaching and learning process are the hallmark of value chain to deliver “industry ready professionals.”

Mr Praveen Soneja, Director General

The students of NIET (Pharmacy Institute) will be able to utilize the infrastructure and prove themselves as talented professionals to meet the global challenges ahead. I whole heartedly welcome all the aspiring and brilliant students to this Institute and wish them a highly exciting and successful professional career.

Dr Avijit Mazumder, Director

Developing NIET (Pharmacy Institute) as the Centre of Excellence imparting quality pharmaceutical education and generating competent professionals with a high degree of credibility, integrity and ethical standards. We aim at recognizing, respecting and nurturing the creative potential of each student.

Dr Rupa Mazumder. Professor and Dean

ACADEMIC EXCELLENCE OF STUDENTS

Excellent academic performance
AKTU rank holders B. Pharm course amongst top 10

Saloni Mangal
10th Rank AKTU
B.Pharm

100% result of final year in end semester examination

Dr. Rupa Mazumder
(Dean, HOD,
NIET Pharmacy Institute
was awarded the Pioneer
Scientist Award by Skyline University,
Kano, Nigeria, Africa and Shri Shankara-
charya Professional University.

ACHIEVEMENTS

On January 16, 2024, NIET (Pharmacy Institute), Greater Noida and Daulat Ram College at the University of Delhi, Delhi, formalized a strategic alliance through a MOU. This partnership is aimed at enhancing academic collaboration and research opportunities, promising a substantial impact on student development and learning across

ACHIEVEMENTS

DRDO sponsored the National Conference held on 27th-28th Oct 2023. Dr. Snigdha Bhardwaj was awarded the 2nd position in the oral presentation. Galgotias University hosted the conference, which focused on integrating 'Artificial intelligence in pharmaceutical sciences and healthcare'.

EXPO CPHI & P-MEC VISIT

The visit of Noida Institute of Engineering and Technology (NIET) pharmacy students to the CPhI & P-MEC India Expo in the last week of November (27th Nov 2023 to 30th Nov 2023) was a significant educational venture. Being a recognized event in the pharmaceutical industry, the Expo provided an excellent platform for the students to immerse themselves in the latest industry trends and innovations. The primary

aim of this visit was to bridge the students' academic knowledge with the practical aspects of the pharmaceutical sector, enriching their un-

derstanding and preparing them for future professional challenges.

During the Expo, the students participated in various activities that enhanced their learning experience. Students had the opportunity to interact directly with industry experts and professionals, discovering valuable insights into the current and future of pharmaceuticals.

The event hosted a wide range of workshops and seminars on contemporary topics in pharmaceutical sciences, offering in-depth knowledge and fostering a deeper understanding of specific topics. The exhibition

was a crucial part of the visit, where the students observed the latest in pharmaceutical machinery, technologies, and ingredients. The experience was crucial in demonstrating the practical applications of their academic studies in real-world scenarios.

Additionally, the Expo was a great networking platform. The students

connected with professionals and peers from different institutions, opening doors for future collaborations and career opportunities. The exposure to innovative technologies and practices at the Expo has significantly enhanced

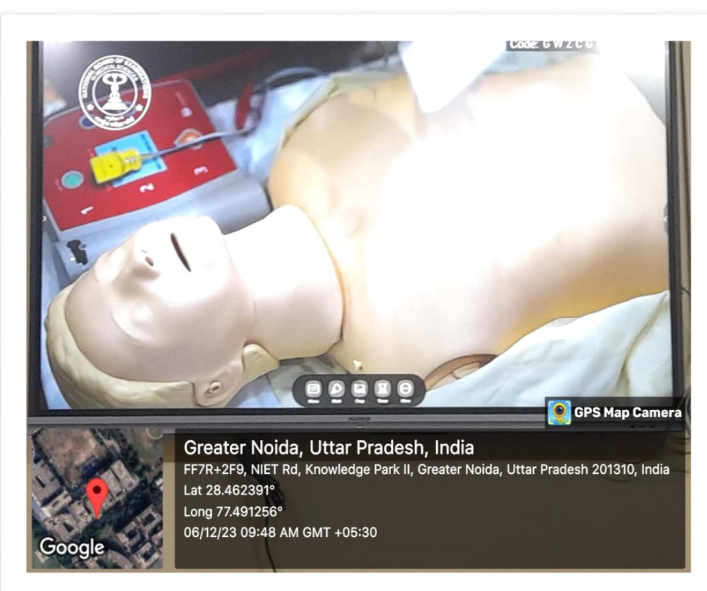

the student's understanding of the dynamic nature of the pharmaceutical industry. These interactions and experiences provided not only career guidance but also a practical perspective that will enhance their ongoing academic projects and curriculum.

CARDIOPULMONARY RESUSCITATION

On December 6th, 2023, the NIET Pharmacy Institute held an online lecture as part of its Cardiopulmonary Resuscitation (CPR) Awareness Programme, which was

The online session provided an interactive learning experience in CPR and automated external defibrillator usage, led by certified experts. Students and faculty members participated from remote locations, engaging in virtual exercises to enhance their CPR techniques. The educational initiative did not only enhance the participants' ability to respond effectively to cardiac emergencies, but also emphasized the institute's commitment to community service and holistic learning.

The successful completion of this online CPR lecture was a significant contribution to fostering a safer and more health-conscious environment in the academic community.

Founder's Day and Diwali Celebration

Celebrated on 8.11.2023 starting with the welcome speech of Dr Vinod Kapse (Director)

Showered with blessings from Dr OP Aggarwal (MD)

Dr Neema Aggarwal (AMD) highlighted the growth and vision of NIET family

Various Cultural performance by faculty members

Founder's Day and Diwali Celebration

Faculty members were award for Research and Academic Performance
