Institute Policy For Hospital Training

The Institute has decided to facilitate the process of arranging hospital trainings related to skill developments for all the students during the summer break after fourth semester. The training will be arranged through the Career Management Cell (CMC) and Training and Placement cell of the Institute. The guidelines for such training are as follows:

- All the HODs are advised to see that students undergo hospital training in Industry/Hospital for prescribed duration as decided by Dr APJ Abdul Kalam Technical University, Lucknow.
- Students should take training in an organization of repute and take training seriously.
- After the training, students be asked to submit a detailed report of not less than 30 pages which shall include about hospital, type of training in different division of the hospital.
- Student should give seminar on the training done by them in front of the committee constituted by Director for evaluation of training.
- Students have to appear before examiner nominated by the University for the said purpose as per evaluation scheme approved by BOS from 2015-16 academic session.

Dr. A. Mazumder
