

**NOIDA INSTITUTE OF ENGINEERING & TECHNOLOGY,
PHARMACY INSTITUTE, GREATER NOIDA**

Date:15/03/2010

Institute Policy for Industrial Visit

The Institute has decided to organize Industrial Visits to give the real time exposure to the students. A batch of 50-60 students will be sent to the pharmaceutical industries to observe the ongoing work, machinery and work-culture. The students will be accompanied by the faculty members and one mentor or trainer from the company to instruct the students. The guidelines for industrial visit are as follows:

- HODs in consultation with Director shall organize industrial visits for the benefit and practical exposure to the students
- Approach for MOU with Industries
- Students will be asked to attend a viva during University examination about his visit in the semester
