Policy for Visiting / Adjunct / Emeritus Faculty

By identifying academic curricular gaps by faculty members and Head of the department, the institute invites faculty members from outside as Visiting / Adjunct / Emeritus faculty as well as experts from industry to deliver the expert lectures on specialized technical topics concerning academics and practical requirement of the industries. Expert lectures are organized because industries prefer to take students who are trained having practical exposure of the needs of various industries. The purpose of this policy is to train our students as well as our faculty members on latest topics. The visiting faculty will be paid actual travelling expenditure and remuneration @ Rs. 2500/hour.
