Institute Policy For Assistance of Weak Students

As per the discussion with all Head of departments, the various points were discussed to finalize the Institute Policy to upgrade the quality of academically weak students (AWS).

Weak Students Development Program (WSDP):

1. Students who have scored $\leq 40\%$ marks in 1st sessional test shall be identified as weak student (WS).
2. HOD shall arrange to conduct extra classes for AWS beyond institute hours preferably between 5:00 PM to 6:00 PM.
3. All WS students must attend all lecture classes and maintain preferably 100% attendance.
4. AWS be allowed to appear in second sessional test and their pass percentage in second sessional test will be monitored.

This order will come in force with immediate effect.
